CMOS technology eliminates smear columns from areas of ultrabright intensity and specular reflections in uncontrolled lighting applications. The camera has excellent sensitivity, fast frame rates, exceptional dynamic range and supports strobe outputs, trigger inputs, automatic exposure, automatic gain control with multiple LUTs, and other highvalue functions. In addition, Imperx puts you in control and gives you full access to raw data without corrections. Using the simple, intuitive graphical user interface, you can quickly apply image corrections, if desired. The C4180's flexibility, image quality, and speed make it suitable for a broad range of diverse and demanding applications, but "one size doesn't fit all," and Imperx can help optimize the camera to your exact requirements. To create your own custom Cheetah ordering code, simply choose one element from each column. With an endless array of applications and the experience of our industry experts, Imperx is your innovative source to find the right camera for your needs. Page 4 Contents 1 HP AllinOne overview.2 The HP AllinOne at a glance.3 Control panel features.4 Use the HP Photosmart software.6 Find more information. Page 5 HP AllinOne overview 1 HP AllinOne overview Use the HP AllinOne to quickly and easily accomplish tasks such as making a copy, scanning documents, or printing photos from a memory card. You can access many HP AllinOne functions directly from the control panel, without turning on your computer. Note This guide introduces basic operations and troubleshooting, as well as providing information for contacting HP support and ordering supplies. Control panel features The following diagram and related table provide a quick reference to the HP AllinOne control panel features. Label Name and Description 1 Color graphics display also referred to as the display View menus, photos, and messages. The display can be pulled up and angled for better viewing. Page 8 continued Name and Description 2 Directional pad Navigates through menu options. 3 On button Turns the HP AllinOne on or off. When the HP AllinOne is off, a minimal amount of power is still supplied to the device. To completely remove power, turn the HP AllinOne off, and then unplug the power cord. 4 Attention light Indicates a problem occurred. See the display for more information. 5 Back button Returns to previous screen. Page 9 HP AllinOne overview Chapter 1 Use the HP Photosmart software You can use the HP Photosmart software to access many features not available from the control panel. The HP Photosmart software provides a fast and easy way to make prints of your photos or to purchase prints online. It also provides access to other basic HP Photosmart software features, such as saving, viewing, and sharing your photos. For more information on using the HP Photosmart software, see the HP Photosmart Software Help. Page 10 HP AllinOne overview To access the HP Photosmart Mac Help. On the Help menu in the HP Photosmart Studio, choose HP Photosmart Mac Help.

The HP Photosmart Mac Help appears. Load originals and load paper You can copy or scan up to letter or A4size originals by loading them on the glass. To load an original on the glass 1. Lift the lid on the HP AllinOne. 2. Load your original print side down in the right front corner of the glass. Insert the stack of paper into the input tray with the short edge forward and the print side down. Page 12 Pull the photo paper cassette towards you. 4. Load up to 20 sheets of paper print side down in the photo paper cassette. 5. Adjust the paperlength and paperwidth guides to fit the loaded paper. 6. Line up the photo paper cassette with the right side of the input tray, and then slide it into the printer until it stops. 7. 8. Pull the tray extender out to hold your printed photos. Page 13 HP AllinOne overview Chapter 1 Avoid paper jams To help avoid paper jams, follow these guidelines. Remove printed papers from the output tray frequently. Prevent curled or wrinkled paper by storing all unused paper flat in a resealable bag. Ensure that paper loaded in the input tray lays flat and the edges are not bent or torn. Do not combine different paper types and paper sizes in the input tray; the entire stack of paper in the input tray must be the same size and type. Page 14 4. Press OK to

select the default application to receive the scan, or press to select a different application, and then press OK. A preview image of the scan appears on your computer, where you can edit it. Make any edits to the preview image, and then click Accept when you are finished. HP AllinOne overview 3. Print 10 x 15 cm 4 x 6 inch photos You can select specific photos on your memory card to print as 10 x 15 cm 4 x 6 inch photos. To print one or more 10 x 15 cm 4 x 6 inch photos 1. Page 15 Chapter 1 When you are done changing print settings and selecting photos, press OK to display the selection menu. 9. Press to highlight Done Selecting, and then press OK. The Print Summary screen appears. 10.

Press or to highlight one of the following options, and then press OK. HP AllinOne overview 8. Print Options Enables you to manually specify the type of paper on which you are printing and whether you want to print a date and time stamp on your photo. Page 16 8. Change the print settings for each option in the popup menu, as appropriate for your project. Click Print to begin printing. HP AllinOne overview 7. Replace the print cartridges Follow these instructions when the ink level is low. Note 1 When the ink level for the print cartridge is low, a message appears on the display. You can also check the ink levels by using the HP Photosmart Mac Software on your computer. Page 17 Chapter 1 HP AllinOne overview If you are replacing the black or photo print cartridge, remove the print cartridge from the slot on the right. 4. 5. 6. 1 Print cartridge slot for the tricolor print cartridge 2 Print cartridge slot for the black and photo print cartridges Pull the print cartridge toward you out of its slot. Page 18 Slide the new print cartridge forward into the empty slot. Then gently push on the upper part of the print cartridge forward until it clicks into the socket. If you are installing the tricolor print cartridge, slide it into the left slot. If you are installing a black or photo print cartridge, slide it into the right slot. 8. Close the print cartridge door. Clean the HP AllinOne To ensure that your copies and scans remain clear, you might need to clean the glass and lid backing. Page 19 HP AllinOne overview Chapter 1 Caution Do not use abrasives, acetone, benzene, or carbon tetrachloride on the glass, since they can damage it. Do not place or spray liquid directly on the glass. The liquid might seep under the glass and damage the device. 3. 4. Dry the glass with a dry, soft, lintfree cloth to prevent spotting. Plug in the power cord, and then turn on the HP AllinOne.

Page 20 2 Troubleshooting and support This chapter contains troubleshooting information for the HP AllinOne. Specific information is provided for installation and configuration issues, and some operational topics. For more troubleshooting information, see the onscreen Help that came with your software. Many issues are caused when the HP AllinOne is connected to the computer using a USB cable before the HP AllinOne software is installed on the computer. Page 21 Chapter 2 To uninstall from a Mac and then reinstall 1. 2. 3. 4. 5. 6. 7. Disconnect the HP AllinOne from your Mac. Open the ApplicationsHewlettPackard folder. Doubleclick HP Uninstaller. Follow the onscreen instructions. After the software is uninstalled, restart your computer. To reinstall the software, insert the HP AllinOne CDROM into your computer's CDROM drive. On the desktop, open the CDROM and then doubleclick HP AllinOne Installer. Page 22 Solution 1 Power connection 2 Power cord and adaptor 3 Grounded power outlet If you are using a power strip, make sure the power strip is on. Or, try plugging the HP AllinOne directly into a grounded power outlet. Test the power outlet to make sure it is working. Plug in an appliance that you know works, and see if the appliance has power. If not, then there might be a problem with the power outlet. If you plugged the HP AllinOne into a switched outlet, make sure the switch is on. Page 23 Chapter 2 Troubleshooting and support Check that the print carriage is not jammed. Open the print cartridge door to access the print carriage area. Remove any objects that are blocking the print carriage, including any packing materials and the orange shipping lock. Turn the HP AllinOne off and then turn it on again. Check

that the HP AllinOne print queue is not paused Windows or stopped Mac. If it is, choose the appropriate setting to resume printing. Page 24 To clear a paper jam from the rear door 1.

Press in the tab on the left side of the rear door to release the door. Remove the door by pulling it away from the HP AllinOne. Caution Trying to clear a paper jam from the front of the HP AllinOne can damage the print mechanism. Always access and clear paper jams through the rear door. Troubleshooting and support 2. Gently pull the paper out of the rollers. Page 25 Chapter 2 Print cartridge troubleshooting If you are experiencing problems with printing, you might have a problem with one of the print cartridges. To troubleshoot print cartridges 1. Troubleshooting and support 2. Remove the black print cartridge from the slot on the right. Do not touch the ink nozzles or the coppercolored contacts. Check for possible damage to the coppercolored contacts or ink nozzles. Make sure the plastic tape has been removed. Page 26 4. Check the HP website for updated information or troubleshooting tips for the HP AllinOne. If you are still experiencing problems and need to speak with an HP Customer Support Representative, do the following a. 5. Have the specific name of the HP AllinOne, as it appears on the control panel, available. b. Print a selftest report. See below. c. Make a color copy to have available as a sample printout. d. Be prepared to describe your problem in detail. e. Page 27 3 Technical information The technical specifications and international regulatory information for the HP AllinOne are provided in this section. System requirements Software system requirements are located in the Readme file. Paper specifications This section contains information about paper tray capacities and paper sizes. The Regulatory Model Number for your product is SDGOB0602. This regulatory number should not be confused with the marketing name HP Photosmart C4100 AllinOne series, etc. or product numbers Q8100A, etc..

Page 30 Warranty HP product Duration of limited warranty Software 90 days Print cartridges Until the HP ink is depleted or the "end of warranty" date printed on the cartridge has been reached, whichever occurs first. This warranty does not cover HP ink products that have been refilled, remanufactured, refurbished, misused, or tampered with. Should you find any errors, please help us by reporting it here.
